## Intern/Working Student (m/f/d) – Marketing

full-time/part-time | Munich

We support **people** with disabilities to live independently by using smart technology. We developed the first wheelchair steering control that uses smart glasses like Google Glass or Vuzix Blade to enable people to drive a wheelchair hands-free. It combines software and hardware and helps with disabilities like paraplegia, MS, Parkinson's disease, etc. We are looking for **YOU** to translate this mission into reality with us.

**YOU** - A motivated team player searching for a new challenge within the area of marketing who wants to work with cutting edge technologies. Does all of the above apply to you? And you see yourself as somebody with a tangible & creative mindset and passion to grow?

### Tasks

- Contributing to the development of our marketing materials: brochures, flyers, PPTs, videos
- Creating and posting content on our social platforms: LinkedIn, Facebook, Twitter
- Maintaining the content on our website and web portals
- Analyzing data and statistics to improve our strategy
- Monitor communication/feedback or inquiries and forward them to the responsible contact person
- Boosting visibility of relevant content and trainings
- Preparation and execution of activities and events of company, e.g. on trade shows, team events, etc.
- Maintaining and updating our stock of brochures and give-aways at our facility

### Skills

- Enrolled student in the field of marketing, economics or comparable studies
- Ability to successfully interact with people: within the team, with customers, media contacts and suppliers
- Ability to read, listen and communicate effectively - in both written and spoken, English and German
- Basic knowledge of marketing and communications tools & procedures
- Proficient use of all Microsoft Office products
- Basic knowledge of Adobe products is a bonus

### Why munevo?

- Helping people and working towards a meaningful goal
- First hand access to innovative and new technology from market and industry leaders, e.g. smart glasses
- Opportunities for personal & professional development with individual project responsibility
- Flexible hours and time management
- Learn more about the German start-up community, the healthcare and social business industry
- Team activities (cooking, sports, game nights)

munevo is committed to achieving workforce diversity and creating an inclusive working environment. We welcome all applications irrespective of social and cultural background, age, gender, disability, sexual orientation or religious belief.

By submitting your CV or application you are consenting to munevo using and storing information about you for monitoring purposes relating to your application or future employment. This information will only be used by munevo.
